## WASARA x Le Jardin de Tweed - "GINZA Box"

WASARA ([www.wasara.jp](http://www.wasara.jp)) is pleased to announce that, this year again, the CHANEL GINZA BUILDING roof top terrace "Le Jardin de Tweed" offers a special menu "GINZA box" (produced by Beige Alain Ducasse Tokyo) in an original box, with WASARA tableware.

The beautiful box is patterned with pink beige tweed, made with bagasse (sugarcane waste) , same as WASARA tableware and designed by Shinichiro Ogata, WASARA's creative director.
