When customers access the official WASARA online shop from outside Japan,
a WorldShopping cart will automatically appear as a pop-up.

By clicking the “Add to Cart” button, they can smoothly proceed to purchase their desired items.

By enabling overseas sales while preserving the unique aesthetic of the official WASARA online store,
we have entered the inbound market through our website.

We will continue striving to improve our services so that more customers,
both in Japan and abroad, can enjoy our products.

*Pop-ups will not be displayed when accessed from a Japanese IP address.

*Only items available for purchase will appear in the shopping cart.
